# HOW TO USE THIS GUIDE

The color coded sections in this guide correspond with the city index on pages 3-5.

The cities and map page numbers are listed in the color section at the top of each page.

Coupon number corresponds with the property's map location.

Coupon number, City Name, Interstate/Exit number on top of all ads.

Some of the Hotels use amenity icons to list more information about their property.

## Look for the Call Ahead Rate

When the hotel has this icon in their coupon you can call ahead to reserve your room at the listed rate.

CALL AHEAD RATE $89 CALL NOW!

## Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a RoomSaver coupon. They will be happy to let you know if the coupon rate is available.
